Contemporary elements breathe new life into a master bath and pay tribute to the home's rich architectural history

By Holly Berecz

*Designers Tamie Glass and Ulrich Dangel, both professors in the School of Architecture at The University of Texas at Austin, assembled a team of professionals to transform an aging 1980s home into a contemporary masterpiece. The minimal master bath is a stunning example of how the team updated the home while respecting the footprint and overall design vision of its original architect, Alan Taniguchi.*
